Hurricanes

This is a model prayer for any hurricane or natural storm.

Father, as I enter into prayer, please forgive my sins in Jesus' name.

I lift up the Hurricane (Irma, Jose, and Katia) to your throne of grace now. Please have mercy on your children in the path of the storm. I pray for the remission of all the sins in and around the hurricane, of the people, the land, its path, the air above, the ground and waters beneath, and all around, back to Adam and Eve. I pray that you will remit all the sins powering this hurricane.

I break the power of every sacrifice, ritual, and evil done to power the hurricane. I break the power of every incantation, spell, hex, vex, jinx, hoodoo, voodoo, chant, psychic prayer, and other device of the enemy, known and unknown, and return them to the senders, seven times seventy fold and bind it to them with the blood of Jesus Christ. May every evil thing done using the earth, air, fire, and water to power the hurricane be nullified now by the power in the Blood of Jesus Christ. I loose sufficient angels to clean and remove every satanic, witchcraft mark, trap, and portal in the natural and spirit realm in and around the hurricane, in the air above, the ground and waters beneath, and all around the storm, covering them with the blood of Jesus.

I loose angels to block all lines of communication, the traveling routes, lay lines, and all lines of reinforcements in, around, and through the hurricane and those who are summoning and sending this evil now in Jesus' name. Lord, please block them with your wall of fire, a strong hedge of thorns, the blood of Jesus, and mighty warrior angels.

I pray that every living entity that may be used as a power source for this evil, knowingly or unknowingly, will be sealed with the blood of Jesus and a strong hedge of thorns, and that Satan will not be able to use them as staging points to attack from. Please fill them with the Holy Spirit and the fruits of the spirit and the armor of God.

I loose sufficient angels to bind every evil spirit, principality, power and strong man operating in and around the hurricane now in unbreakable chains covered in the blood of Jesus. I loose sufficient spirits of blindness, deafness, dumbness, confusion, civil war, judgment, burning, and destruction on them and every entity summoning and sending evil spirits. I loose angels to spoil the enemy, to strip them of all their armor, weapons, and things that give them power. I loose your giant sperm whales to attack every spirit of witchcraft, witchcraft control, mind control, thought control and all occult spirits. I loose sufficient amounts of whatever heavenly creature is suited to completely route and destroy the enemy powering the hurricane now, in Jesus' name.

Lord, I loose your mighty angels to redirect the storm away from populated areas and into a place where it will do the least harm. I loose ministering angels to prepare and aid the people and first responders in the path of the storm. Lord, please send currents of cool water into the path of the storm and send winds to counter its direction.

I thank you and praise you for your faithful protection. I ask all these things in Jesus' mighty name, all according to your perfect will. Amen.

Lord, according to your will, please remit all sins of President Trump, his family, his cabinet, all leaders of the United States, including the House of Representatives, the Senate, the judicial branch, and the Pentagon, and those around them, and all sins in their environments; the air above, the ground beneath, and all around, back to Adam and Eve.

I pray that the Holy Spirit will take total control of their mind, will, emotions, thoughts, words, and deeds. I pray that you will seal them and every living entity around them with the armor of God and the blood of Jesus so that no evil spirits can attack them. I pray that you will cover them and their environments with the blood of Jesus. I loose angels to bind every evil spirit power trying to attack them now in Jesus' name. I loose sufficient angels to go inside the aforementioned and cut and pull every evil spirit out of them continuously now. I do not know the appropriate heavenly creature to attack the evil spirits in each of them, but you do Lord, and I loose whatever part of your heavenly army will route the enemy and completely destroy the enemy in the mind, will, emotions, body, soul, and spirit of the people mentioned above.

In the authority of the Lord Jesus Christ, I break the power of every evil ritual, spell, curse, hex, vex, incantation, chant, and psychic prayer sent to the aforementioned and return them to the senders seven times seventy fold and bind it to them with the blood of Jesus Christ. Lord, please sovereignly cut all ungodly soul ties between the aforementioned and evil people, entities, locations and all other things that bind them to darkness.
