

The most important and powerful prayer that you can pray:

On first waking, pray:

"Good morning heavenly Father. Today I submit myself to the authority of the Lord Jesus Christ and pray that the Holy Spirit would take complete control over my body, soul, spirit, mind, will, emotions, thoughts, words, and actions and every aspect of me. Holy Spirit, be me today. Lord, guide and lead me out of the darkness and into your light of truth. Help me to accomplish your will for my life today. Help me to be extraordinary for your glory."

If you have a family, pray this together and have everyone come into agreement.

Why is this important? There is much evil control and programming in our present world. We may be unwittingly following Satan's agenda and program for our lives. Our souls and destiny are precious and need to be guarded very carefully. The problem is that we are not smarter than evil powers. Only God can help us to overcome the darkness. God does not violate our free will. If we give him permission to use us as he will, we will avoid much evil and be able to do far more than we would in our own power. This prayer will change your life and help to keep you out of much trouble. Galatians 5:16 instructs Christians to walk in the Spirit and not the flesh. Daily willful submission to the Lord is how Christians successfully walk in the Spirit. It does not happen automatically or by default simply because you a Christian. You need to pray daily for it.

When evil spirits tell you things in your head, or a friend or loved one says something that you cannot get out of your head, pray: Lord, please help me to forget these words. Please replace them with the words of Christ.

When you feel like you are losing control in whatever situation and you are going to give into some temptation, or paralyzing fear, for example, a phobia: Holy Spirit, please take complete control over my entire body, soul, and spirit, mind will and emotions.

Star Power

Over the course of battling evil powers, the Lord has taught many important things. Advanced spiritual warfare is conducted in the mind as much as anywhere else. God has given us a mind that allows us access to the realm of the spirit. Through the mind, we may pray mental prayers to attack the darkness and heal and defend using the power of our spirit and the Holy Spirit within us. Ask the Lord to help you understand the following information and to teach you how to do spiritual warfare using your mind and your star.

This information is a gift from the Lord. If you have been praying against the chemtrails and keeping up with this website, then you have the faith to move on to these kinds of prayers and they will make sense to you. Many people will criticize this information from

within Christian academia and from the secular world. The common factor is all of these people are dominated by demons who want to keep them in darkness. If you are struggling with this information, then pray like this: Heavenly Father, I desire to know the truth. Please give me a confirmation about your will concerning the information on ChemtrailsAreDemonic.org. Please help me to understand this information if it is your will, and to learn how to apply it in my life. Amen.

What is a physical body?

Our physical bodies serve as our home, but also as spiritual containers. Inside that container can be many, many, many spirits. Inside our bodies is a vast spiritual world. It is important to understand that inside your body there is either darkness, or light, or some varying degree of both. Unfortunately, most people, even devout Christians, have much darkness inhabiting their bodies which seek to weaken them and feed off of their spiritual energy.

Every person has a star.

You have a physical body, and you have a spirit body, which is your star. The Bible teaches us that the stars fought in their courses.

Judges 5:20 "They fought from heaven; the stars in their courses fought against Sisera."

Jesus has a star.

Numbers 24:17 "I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth."

Matthew 2:2 "Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him."

Evil powers have stars.

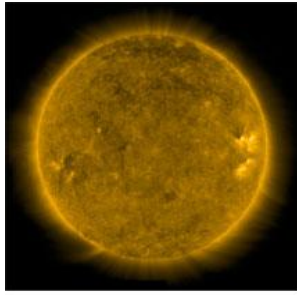

Acts 7:43 "Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon."

Jude 1:13 Evil powers are described as wandering stars. "Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever."

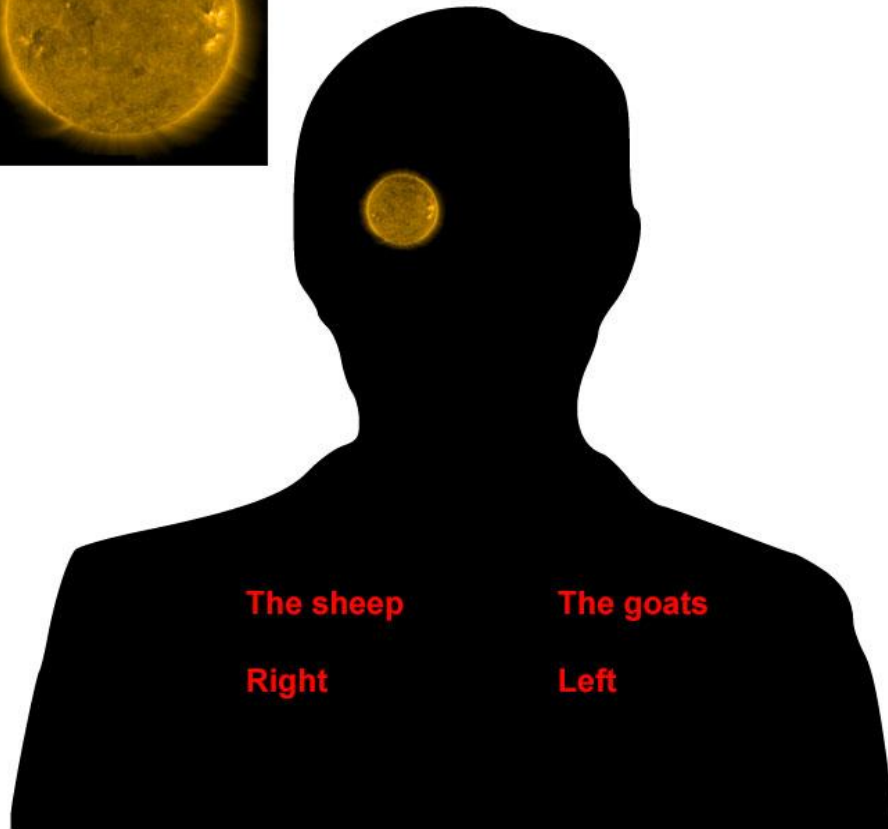

Not all stars are created equal, some have more power and glory than others.

The question is, is your star shining?

1 Corinthians 15:41 "There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory."

Your star is your right eye.
This little light of mine, I'm gonna make it shine.
Satan would like to darken your right eye.

<http://chemtrailsAreDemonic.org>

Your body is your spiritual monitor.

When you feel dizzy, light headed, pressure, aches or a pains on your body, itching, burning, twitching, or distress in any area, you are under attack by spiritual darkness. An itch is not an itch, it is a spiritual attack. If it is allowed to persist, then the darkness will take root and begin to expand. The answer is to fight back against this darkness. Your right eye, once freed from darkness, is another spiritual monitor. Dreams and visions are another spiritual monitor. See below.

Darkness gains a foothold when we sin.

Every time you sin, darkness grows in you. You have opened the doors to evil and it is very difficult to close them. Most people have no idea what happens to them in the natural and the spirit when they sin. Jesus taught about this when he spoke:
John 5:14 Afterward Jesus findeth him in the temple, and said unto him, Behold, thou art made whole: sin no more, lest a worse thing come unto thee.
Ecclesiastes 10:8 He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him.

Sins of the fathers, generational darkness.

There is another problem. The sins of the fathers open us up to darkness before we have an opportunity to sin. Even if you did not sin and lived a perfect life, your parents and grand parents sin opened doors for darkness to enter. This is called the sins of the fathers.

Numbers 14:18 The LORD is longsuffering, and of great mercy, forgiving iniquity and transgression, and by no means clearing the guilty, visiting the iniquity of the fathers upon the children unto the third and fourth generation.

The more deliverance you get, the more spiritual power you will have for good.

The more you pray to clean up your star and your spirit, the more spiritual power you will have to fight the darkness. You will have more spiritual strength, physical strength and health, and hear less of the enemy in your mind.

Christians are the target.

Most Christians are the special target of the enemy. Satan and the witchcraft world seek to sideline if they cannot eliminate Christians. Satan and the witchcraft world have gone to extreme lengths to ensure that Christians do not prevail in the end times. As Christians go through deliverance their spiritual gifts become active. Many people have spiritual gifts operating but have no idea how to use them.

Your body is a spiritual monitor.

The most important thing that you need to know concerning evil attacks is that your body is your spiritual monitor. When you have any pain or discomfort, you are being attacked by darkness. When this happens, you can use your star power to fight back in the spirit realm. This is something that the Lord has revealed in these end times to help his children overcome the darkness. He does not want us to be victims of evil.

Your right eye is your star.

34 The light of the body is the eye: therefore when thine eye is single, thy whole body also is full of light; but when thine eye is evil, thy body also is full of darkness. 35 Take heed therefore that the light which is in thee be not darkness. 36 If thy whole body therefore be full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light. **Luke 11:34-36**

Evil people show their hand by covering their right eye.

When you see evil people covering their right eye, it is a sign that they serve Satan. Their right eye is darkened and they do not give any good light, they give an evil light.

The left hand path is the path of Satan and evil powers.

Matthew 25:41 Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:

The right eye of evil people is darkened.

Woe to the idol shepherd that leaveth the flock! the sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened. **Zechariah 11:17**

Spiritual power to overcome darkness.

All sickness, cancer, disease, and pain is darkness present in your body. If your body was full of light, the body would be in perfect condition and never sick. Most people try to explain their illnesses on things that have nothing to do with the true cause, which is darkness and evil spirits.

Spiritual gifts, visions, and the right eye.

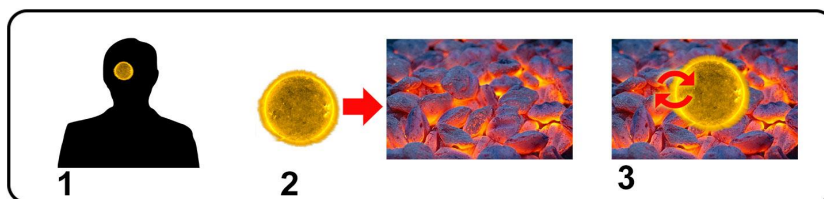

When your right eye is no longer darkened, it will become more and more sensitive. The more free that you get spiritually, the more sensitive your right eye will be to the enemy around you. You will become aware that the darkness is all around this world and that it is trying very hard to get inside of you. You may experience things attacking your eye in the spirit, in a vision. This is the Holy Spirit alerting you that you are under spiritual attack. When this happens, it is time to fight back against the darkness around you. Think of two giant searing hot discs and think of yourself in the center. Bring them together with great force in your mind. This will destroy the darkness that is in and around you.

The coals of fire from the altar of God.

5 ¶ Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the LORD of hosts. 6 Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar: 7 And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sin purged. **Isaiah 6:5-7**

Star power and the coals on the altar from Isaiah.

Isaiah 6:6 Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar:

- 1) Think of your star (your right eye).
 - 2) Then think of it touching the coals of fire from Isaiah.
 - 2) Roll the star around, spin it, and think of your star moving in and out of the coals.
- If you have any sickness, pain, health issues, think of those parts touching the coals.
 - You can pray for family and friends using this same technique.
 - You can think of multiple people's stars at the same time, for example, mom, dad, brother, sister.

<http://chemtrailsAreDemonic.org>

You can use your mind to place your star on the coals from the altar of God. Why? Because Christians have access to God's throne of grace through the Lord Jesus Christ.

This is an amazing, powerful, and effective way to cleanse and purge the darkness from your body.

Start by thinking of your right eye, which is your star, and move it to the stones of fire. In your mind, move your star into the coals of fire. Now spin the star like a wheel. Then move it out of the stones of fire. Now move it back in. Continue doing this over and over until you feel better. You may get burps, yawns, or other bodily indications that bad things are leaving.

If you have a body part that is hurting, itching, or has any negative sensation, in your mind, rest that body part on the stones of fire. If your heart feels uneasy or distress, move it to the stones of fire. You will feel better shortly.

Specifically: If you feel your stress, anxiety, or pressure on your heart, think of placing your heart on the coals of fire. If you are feeling lust (lust is darkness in your male and female parts), think of the coals of fire on those regions. It will disperse almost immediately.

Alternatively, you can think about picking up a coal or many coals from the altar of God and place them on the part of your body that is experiencing pain or has sickness, cancer, or disease. Do this constantly all day long until you feel better.

- 1) You can place your star on the stones of fire.
- 2) You can place a body part on the stones of fire.
- 3) You can think of your whole body surrounded by the stones of fire.
- 4) You can move the stones onto your body part that has pain or problems.
- 5) You can think of other people's stars and or body parts on the stones of fire (for example, praying for a sick family member or friend).

Why do I have access to such an amazing gift?

Christians who have faith have spiritual power that few people realize or have tapped into. Evil powers are no match for the power of the Holy Spirit inside of you.

Christians have access to the stones of fire on God's altar because Jesus Christ died to remove the separation between God and sinful man. The rent of the veil in the temple gives Christians access to the throne of grace.

Matthew 27:51 And, behold, the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and the rocks rent;

Hebrews 4:16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.

What are some other things that I can do to attack the darkness in my mind?

Everyone has a star, so you can think of your family and place their stars into the stones of fire from Isaiah 6:6. You can place your entire family's stars into the stones of fire all at once. Think of them going into and out of the fire.

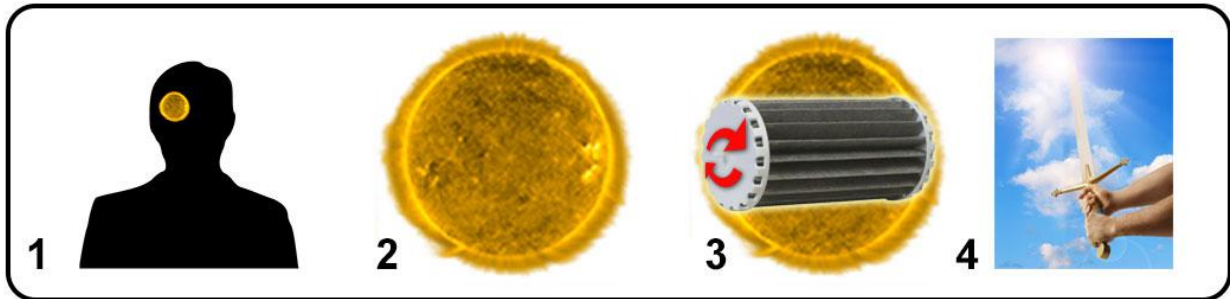

Is this visualization? Is visualization a bad thing?

Your mind can be used for good and for evil. Witches and warlocks can attack you using their minds, but God did not leave Christians defenseless. The problem is that most Christians have no idea how to operate in the spiritual gifts. If you see a vision of things coming towards your right eye, then you need to defend yourself.

Powering up your Star

Think of a kind of a motor running in your right eye. Spin it as fast you can using your mind. Then launch your attack using your mental weapons against the darkness attacking you.

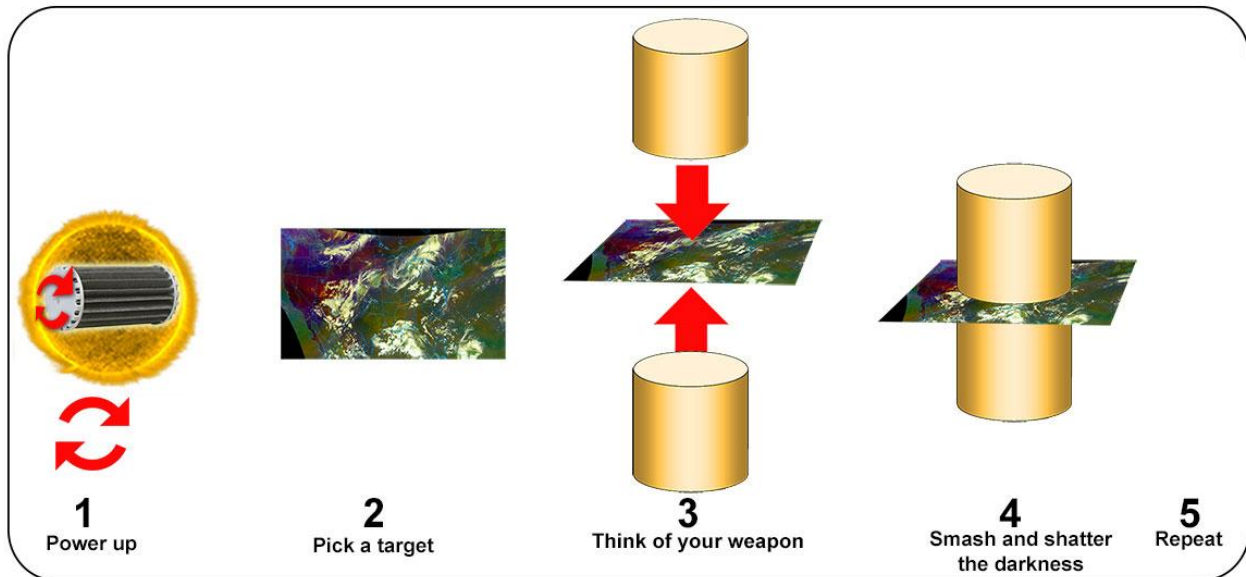

Powering up your star and attacking the darkness.

- 1) Think of your star (your right eye), and then think of a gear inside.
- 2) Spin the gear up to "light up" or "power up" your star. Spin the gear in your star in your mind as fast as you can.
- 3) Then launch your mental spiritual attack on the darkness around you (pain in your body, or the hum, etc.).
- 4) Think of a sword or other weapon and attack the source of the pain or darkness in your mind.

<http://chemtrailsAreDemonic.org>

How to pray against the darkness using your mind.

- Once you learn to pray using your star and spirit, you can do serious damage to the darkness around you.
- 1) Spin up and power up your star. Think of a gear in your right eye (your star) and spin the gear very fast.
 - 2) Pick a target to attack. It could be demonic clouds, chemtrails, sickness and pain in your body, darkness in your house, church, or the people in your school, workplace, or neighborhood etc. Hold it in your mind.
 - 3) Think of giant pile driver type shape above and below whatever spiritual darkness that you want to attack. Think of them searing hot. Smash the darkness
 - 4) Smash the giant burning discs together in your mind (which is the spirit) with the darkness in between. Exert mental energy and physical force, put your whole being into the effort.
 - 5) Repeat.

<http://chemtrailsAreDemonic.org>

Praying through the webcams and satellite images using these prayer techniques.

If you are using multicam to pray against the demonic clouds and chemtrails, using this mental prayer technique is just as, if not more effective than "bbb bbb bbb bind." Give it a try, as each image goes by, power up your star, then think of giant pile drivers or other mental weapons attacking the darkness.

Are you bored in class? In church? At home? Attack the darkness in your environment and those around you. Think of your room or house and place it between the pile driver shapes above. Smash it. Then think of you family, place them in the middle of the pile driver shape and smash them. Why? We do not want to hurt the people, we want to destroy the darkness inside of them. You might watch live Cspan and smash the darkness in each person on the tv and be very effective.

A new idea to fight evil, in the spirit

When evil people oppose you, you can smile back, and then attack the darkness inside of them using these techniques. Once you have sufficiently damaged the darkness within them, they may be able to see clearly to accept the light of Christ and the Gospel.

Matthew 11:12 And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.

We must attack the darkness in the people and in the world, not the people and the world.

Is your mom or dad irritated? Is your co-worker feeling bad? Is your friend having a bad day? Attack the darkness in them using these strategies.

Being a Christian peacemaker means being gentle in the natural and violent towards the darkness and evil in the spirit

Christ told us that blessed are the peacemakers. He also taught that those who live by the sword will die by the sword. This means that in the natural world, we do not exercise unprovoked physical violence. The word of God also says that the kingdom of heaven suffereth violence, and the violent take it by force. The kingdom of heaven is inside of you. The darkness is attacking you all the time, and only when your right eye is not darkened will you be aware that you are under attack. Being a Christian peacemaker means physical peace and spiritual violence against the darkness. If you do not attack the darkness, it will attack and take over you. What is at stake is your priceless eternal soul. Kindness to darkness and spiritual evil will not yield anything but you becoming overtaken by it and losing your soul.

Attack.

(To be clear, the information on this page in no way advocates physical violence, but peace in the natural world. All mention of attacks here are against evil spirits. Those who live by the sword will die by the sword.)

When praying these prayers, it is important to not have ill will or any hatred or bad feelings towards the person. You are accomplishing a job for the Lord by destroying the evil spirits in the people. Even if the person is a vile Satanist, attack the evil inside of them and pray for their salvation. Once their soul is free from evil, they are positioned to accept Christ.

- 1) Think of a giant sword and attack the darkness around you.
- 2) Think of a pile driver smashing into the darkness attacking you.
- 3) Two giant planes coming together to smash the darkness around you. Think of yourself in the center and the piledrivers smashing through you until they meet. This will only destroy the darkness because the spiritual weapons are weapons of light.

Twist and Snap

Twist - Think of giant hands of power picking up the evil spirits in the person. Then in your mind, with giant spiritual hands, twist the head off the evil spirit and toss it away.
Snap - Think of giant hands of power picking up the evil spirits in the person. Then in your mind, with giant spiritual hands, snap the spine of the evil spirit and toss it away.

You can do the "twist" and "snap" prayers as you drive to work, as you sit in church, as the crickets chirp outside your window, and as the planes that are not really planes fly over head.

If you know of someone who you know is a witch or is anti-christian, they are excellent candidates for these prayers.

If there is mob violence, or riots, darkness has taken hold on the area. The area and people affected are good candidates for these prayers.

Defense

Think of a shield of fire around you.

Healing

Start by thinking of your right eye, which is your star, and move it to the stones of fire. In your mind, move your star into the coals of fire. Now spin the star like a wheel. Then move it out of the stones of fire. Now move it back in. Continue doing this over and over until you feel better. You may get burps, yawns, or other bodily indications that bad things are leaving.

Alternatively, you may place affected body parts on the stones of fire if that is easier. Or, you might think of the stones of fire on the afflicted body part.

You might think of your star resting on the stones of fire and a giant spiritual hand rolling it back and forth. You might add the stars of your family and friends under that hand, roll them all together up and down the stones of fire, and against each other. You want to polish and chip away at the darkness around everyone's star.

Think of your star in a pool of golden liquid of Holy Spirit power, and spin the star in the liquid, half in and half out. Bring the star in and out of the liquid.

Any body part that experiences any kind of pain, pressure, discomfort, twitching, or gurgling are candidates for the stones of fire. If you hear gurgling it is a demon. Grab it in the spirit with hands of fire and twist and snap as described above.

At times, you may be attacked in the spirit by witches or occultists. Evil people attack unsuspecting people, and especially Christians, usually without them knowing. If God has activated your spiritual gifts, then you will have a waking vision of a spirit attacking you. You have the power to fight back using the techniques above.

Basically, whenever any part of your body feels the slightest bit off, use the coals of fire.

Protecting your heart

Your heart is your most vital body part and should be defended at all costs. Is your heart beating irregularly, or do you feel pressure, discomfort, or tensions? You are under attack by darkness.

Bring the stones of fire to your heart in your mind. Or, bring your heart to rest on the stones of fire. You will notice a rapid improvement in how you feel. Repeat as necessary and as a defense any time they start to attack your heart.

What is Star Wars Really About?

This information brings new meaning to "Star Wars." Star Wars is certainly an occult movie. The occult world in many ways knows much more about the spirit world than most Christians. What is Star Wars really about? Star Wars, in one respect, is about the rebellious dark stars of Jude 1:13 (wandering stars, fallen angels), Matthew 25:41, the fallen angels vs. children of the light, God's children (1 Thess 5:5). Make no mistake however, the heroes in Star Wars, the rebels, are not the good guys. And neither is the empire. Satan likes to make stories with a false paradigm, so whoever wins, you are still rooting for him. God is missing from the Star Wars movies.

1 Thessalonians 5:5 Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

Satan's plan all along was to exalt his throne above the stars of God (Christians). He was not content to rule over the kingdom of darkness, he wanted to rule over everything in creation.

Isaiah 14:13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north.

Latest Tips and Observations

Crickets are Darkness Containers.

Crickets are darkness broadcasters and are staging points for darkness and evil witchcraft powers to attack you. It seems that the chemtrails and demonic clouds deposit evil spirits and darkness into the crickets (almost like they are re-fueling them). A single cricket seems to be a container for many evil spirits. If you hear crickets outside your window, it means that you are under attack by darkness. This may manifest into sickness in your body, or evil emotions and feelings like lust, perversion, irritation, frustration, etc. Only direct spiritual warfare prayers will using your spiritual weapons can stop them. You may be surprised to learn that the cricket that would not stop for hours will stop after you apply these prayer techniques. That is because they are controlled by dark powers that are seeking to harm you. It is important to understand that a cricket is a container like a cup. If the cup is full, then it will take longer to pray out the evil spirits inside. If the cup is only slightly full, then a few quick prayers will work. You may need to pray for a while before the darkness is completely cleared out of a single cricket. If you do not, then you will be the recipient of darkness of some variety, either illness, or some unpleasant effects.

Delivering darkness to your door.

Many packages that arrive at your door have more than you bargained for. Fedex, Ups, Amazon and other companies are all delivering darkness to your door (wether wittingly or unwittingly). We live in very evil times. When you bring a package into your house, you may be bringing in a heap of trouble that might include illness, lust, perversion, anger, and all negative thoughts and emotions. The solution is to BBB BBB BBB bind everything bad in the boxes for a while, and pray mental prayers listed above to smash the darkness.

Witchcraft on your mail.

The Lord has shown that the common mail can and does have witchcraft on it. That includes bank statements, medical bills, and just about anything that lands in your mailbox. The solution to this is to buy a duplex scanner, and scan all the documents that you want to keep, and then buy a shredder and shred them. If you can clear out your home of piles of mail and old bills, you will notice that things feel much better. This is very important and worth the time and money to do.

Cleanliness.

When fighting Satan, keep your house as clean as possible with as little clutter as possible. The demons move around on the dust. Get rid of everything that keeps you from cleaning easily. Vacuum weekly, buy an air purifier for each room, and whenever the air quality in the house seems stuff or bad, be on guard, this is usually an indication of evil spirits. Using lavender in a diffuser and on dryer balls for your clothing will help deter the evil spirits.

Dizziness and light-headedness is darkness.

Whenever you feel the slightest bit dizzy or light headed, it's time to pray mental prayers against the darkness. This is your body telling you that evil spirits are in and around you.

Diet and fighting demons.

If you have been fighting Satan on a vegan diet, woe to you. There is much spiritual energy in beef that is vital to your spirit and body fighting off the darkness. This is why Satan and the witchcraft world pushes veganism, because it weakens you. Oddly enough, Snickers bars have been extremely helpful in the fight when spiritual strength seems to have left. SP Complete products, including Bone Health packets and General Health Packets and SP Complete have been extremely helpful. It is recommended to not eat out if you can avoid it, because you know what is in your food if you eat at home. Cook at home and eat meat several times a week for more spiritual strength and energy. John the Baptist ate wild honey, and it seems that good quality honey is good in the fight as well.

The key to healing.

All sickness, pain, and bodily problems (other than accidents, falls, etc.) come from darkness. When anyone is sick, experiencing pain or bodily problems, if the family will gather around that person, and all pray in unity: BBB BBB BBB Bind everything bad in and around (sick person) several times, then all sing "Oh the Blood of Jesus" several times, then go back to BBB BBB BBB Binding, and continue to alternate until the person feels better, this will get you through just about all problems. Do not panic, pray and sing. There is a multiplication factor when more people come together to attack. You can also do the mental star power prayers listed above while binding and singing. If you feel like something is attacking your heart, then this process works great. Whatever the problem, pray and sing.

Low flying small planes are actually witchcraft powers.

It seems that many of the small planes are actually witchcraft powers that are spreading evil, sickness, and disease across the world. Using advanced technology and witchcraft, they have deceived people into believing that their planes and helicopters are real. One signature feature is they are very loud overhead. If you hear planes constantly flying

over, or helicopters, use these mental prayers against them. Even if you do not see them, think of the sound in your mind and hold that as your target. Then, "twist" and "snap." Destroy the evil spirits before they destroy you.

Strange cars parked near your house.

Witches and warlocks get assignments from Satan. They may have been assigned to your house. If this is the case, attack them before they can attack you. Use the strategies for mental prayers, especially "twist" and "snap" on their evil spirits. They will likely not return again to your house soon, but that may not stop Satan from sending another round to trouble you. Keep praying against them and be alert and aware of what is going on.

Anxiety in busy places like airports or shopping centers or on the freeway.

You feel anxiety in busy places because of the abundance of evil spirits in the people. They will try to oppress any Christian because they cannot stand the light and they want to darken you. As you are walking around or driving, "twist" and "snap" the evil spirits in the people around you, starting with the ones who look the most evil.

Loud cars ripping and racing at night.

When you are in your house and it is quiet and then you hear cars ripping along making horrible sounds, or motorcycles, "twist" and "snap" the evil spirits inside of them. This will drastically cut down on these noises in the future. Each time you hear one, keep after them. Your area will gradually become more peaceful as you eliminate the evil spirits in the land. You can be in bed and pray these prayers, you do not have to see the vehicle. Focus on the source of the sound, then use that as your target. Think of hands of power grabbing the evil spirit in the person in the car, and "twist" and "snap."

Do you feel things moving on your body, or pin or other sensations?

You do not have lime disease or some other affliction, you have darkness and evil spirits moving on your body. God has given you a spiritual gift to sense these things, and no medical treatment will do the job. Using the information above, you can be rid of these entities that are living inside of your body in the spirit world.

The power of darkness at night.

Night is a bad time to use the internet or TV, night is a good time to sleep after prayers. There is a very powerful drawing power that would seek to overpower you and take control if possible to sin at night. The best answer to this is to not spend a lot of time on the computer or doing things that may lead you into trouble at night.

Build a prayer building, starting with the foundation.

If you know that you will be doing something in the future, such as traveling to a conference, or going into the hospital for a scheduled surgery, for a job interview, etc., then take the time to pray daily for this event. As soon as evil powers learn that you are going to do something, they set plans in motion to hinder or stop you if they can. If you wait until a day or two before the surgery or trip to pray, they have had a head start on you for many days to hinder you with evil. This is like building a house. Do not expect God to make everything right because you prayed the day of the event. The more important the event, the more important it is to lay a foundation of prayer day after day. Pray that God would send angels to protect the plane that you will be traveling in, that nothing bad would happen to the plane or the pilots. Pray for the doctors and hospital room and for the hotel you may be staying in. Pray for evil powers to be blocked and stopped. The more you pray daily, the better chances you have for things to go smoothly. Do not wait until the day of a major event to pray about it.

Pray to change every wrong impression that Satan has put in the mind of my helpers.

Satan works in the mind. One of the things he may be trying to do is give the people who care about you most a bad impression of you. This might include your family, friends, teachers, coworkers, boss, etc. The Lord can and will counter Satan's work if we pray. Lord, please remove all wrong impressions that Satan has put in the mind of my helpers, and replace it with your will. Please bring healing to their minds and help us to accomplish your will. Amen.

Eye floaters are darkness.

When you see a floater cross your eye, think of a spiritual hand of power reaching in your eye and pulling it out. Each time you see one, do this. It will help to clean the darkness out of you.

Luke 6:42 Either how canst thou say to thy brother, Brother, let me pull out the mote that is in thine eye, when thou thyself beholdest not the beam that is in thine own eye? Thou hypocrite, cast out first the beam out of thine own eye, and then shalt thou see clearly to pull out the mote that is in thy brother's eye.

Identifying witches and warlocks by the smirk.

Some agents of Satan are so subtle that you would never know who they are unless God gave you discernment to detect them. We should ask for discernment so that we know who is good and who is evil. However, one common factor among many people with the anti-Christ spirit, and spirits of witchcraft, are a smug smirk on their face. These individuals look like they know everything and they believe they are above everyone. They have the secret knowledge which makes them better than you. They believe that they can manipulate, hurt, and take advantage of you because you are not initiated. They might make you feel like you are an idiot, a little person. What causes this? The anti-Christ evil witchcraft spirits that occupy their bodies. They cannot stop themselves

even if they try, because the evil spirits inside of them give them away. You may have seen some people with this smirk on some popular entertainment and in the news. The smirk is a sign of witchcraft. If you have been spending time with the Lord, the smirk should make you angry, because it is a sign of pride and evil taking advantage of the weak.

Proverbs 8:13 The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.

Proverbs 21:4 An high look, and a proud heart, and the plowing of the wicked, is sin.

Job 40:12 Look on every one that is proud, and bring him low; and tread down the wicked in their place.
